Product Fiche

Domestic range hoods **Model identifier: BUGL750BK/A+**

GB energy labelling - Regulation 65/2014, Annex IV B

Supplier's name or trade mark	Cookology
Model identifier	**BUGL750BK/A+**

General product parameters	
Parameter	**Value**
Annual Energy Consumption (AEC hood) (kWh/year)	19.2
Energy efficiency class	A+
Fluid Dynamic Efficiency (FDE hood)	29.2
Fluid Dynamic Efficiency class	A
Lighting system present	Yes
Lighting Efficiency (LE hood) (lux/W)	26.0
Lighting Efficiency class	B
Grease Filtering Efficiency (%)	58.1
Grease Filtering Efficiency class	E
Airflow at minimum speed in normal use (boost excluded) (m3/h)	175
Airflow at maximum speed in normal use (boost excluded) (m3/h)	559
Intensive/boost setting available	No
Airflow at intensive/boost setting (m3/h)	-
A-weighted sound power at minimum normal speed (dB(A) re 1 pW)	42
A-weighted sound power at maximum normal speed (dB(A) re 1 pW)	63
A-weighted sound power at intensive/boost setting (dB(A) re 1 pW)	-
Off mode applies	Yes
Off-mode power (W)	0.38
Standby mode applies	No
Standby-mode power (W)	-

Programme and product notes

A dash (-) marks a parameter that does not apply.
